### The Course

(Completed by students at the end of the semester.)

Please evaluate the quality of the course modules and supplemental media.

Always: 5 Often: 4 Occasionally: 3 Rarely: 2 Never: 1

- Was the written material in the course modules thorough?
- Was the module content clearly organized and easy to follow?
- Were the directions for the assignments detailed enough to allow you to complete the work successfully?
- Did the written material and supplemental media effectively prepare you to do the assignments? (Supplemental media includes videos, slideshows, image galleries, animations, and other presentations included in the course modules or downloaded from the online system.)
- Do you have any comments or suggestions regarding the supplemental media?
- How successful was this class overall in familiarizing you with professional art and design vocabulary?
- How successful was this class overall in helping you to understand and adopt professional practices such as meeting project deadlines, clean presentation of your work, correct use of materials and tools, etc.?
- How successful was this class overall in improving your ability to analyze or critique your own work?
- I would recommend this class/instructor to a friend.

### **The Online System**

**(Completed by students at the end of the semester.)**

Please indicate whether you agree or disagree with these statements about the online system.

Always: 5 Often: 4 Occasionally: 3 Rarely: 2 Never: 1

- The Online System as a whole was easy to use.
- The Class Email System was sufficient for communications.
- The Online Discussion allowed me to interact effectively with my class.
- The Online Help Desk provided timely and satisfactory technical and administrative assistance.
- I plan to take more online classes at the Academy of Art University.

What aspect(s) of the online class technology could be improved?
